Mission of HisClay Ministries

The mission of HisClay Ministries is to radically impact God's Kingdom by inspiring and encouraging people everywhere to be "ALL IN" for Jesus Christ.

"All In" Vision

To bring revival "South of the River" by inspiring and encouraging men in their faith through monthly breakfast events, retreats and weekly devotionals. The primary focus of the vision will be to gather men for monthly "All In" Breakfast events, which will include a life-changing message followed by a time of fellowship and small group discussion. Through this vision, God will call men together in an effort to shape them as husbands, fathers and leaders in His Kingdom. Men will gain strength and purpose when they gather together for a common call!

"All In" Community

"All In" community is a picture of THOUSANDS of men gathering in their mission to be "All In" for Jesus Christ. Revival will happen "South of the River" when men are intentional in their commitment to become godly men, husbands and fathers in life. Through "All In" community, men attending the breakfast events will be introduced to growth opportunities which can and will help them identify powerful ways to grow and mature in their faith. HisClay Ministries is continuing to align with established ministries "South of the River" who are equipped to help and support men in all aspects of life. In addition, the breakfast events will introduce men to area churches and small group opportunities where men and their families can meet area churches and get "plugged" into a strong faith community. "All In" community will bring revival "South of the River!"

"All In" Participation

As a church "South of the River," HisClay Ministries is inviting you and your congregation to encourage and inspire the men in your faith community to attend the monthly HisClay "All In" Breakfast events and be a part of God's call for Revival "South of the River." Your support of this vision will not only impact the men of your congregation, but will also radically impact the lives of families and friends who are a part of your faith community. "All In" Participation is about breaking down the congregational and denominational walls that are keeping men from uniting and joining together in God's call to be "All In!"
